

MAYOR CASSETTI TO PLACE NEWLY DONATED FLAGS IN ANSONIA'S DOWNTOWN

Contact: Chris Tymniak 203-736-5900

January 14, 2014

Today Mayor Cassetti received a donation of 27 United States flags and poles to be placed in the downtown area as a tribute to our country and our veteran's.

The flags will also highlight Ansonia's dedication and commitment to a bright new future and its allegiance to our great country.

"I wish to thank Paul for his dedication and service to veteran's and for his generous donation of flags for the City of Ansonia. I am proud to have these flags hanging prominently in our City. The flags are a constant reminder of the sacrifices our veteran's have made on behalf of their country." Said Mayor Cassetti.

The flags were donated by Paul Lutson, resident of Ansonia, Service Officer and State representative for the Soldier's Sailors and Marine Fund dedicated to working with and caring for all veterans and their families.

Currently Paul's Office is located in Derby City Hall and his hours are Wednesday 9:30am – 1pm weekly. He can be reached at 203-732-844 or plutson@snet.net Andy Cota, Sr., former Chief of Police for the City of Derby is also a representative and volunteers his time.

Paul helps all veterans by providing information, referrals and answering questions regarding veteran's and their families.

Paul Lutson and his Office provide an invaluable service for our veteran's who have questions or would like information on veteran's issues.

Mayor Cassetti has made veteran's and veteran's issues a priority. He recently established a sub-committee of the Board of Aldermen to look at ways to enhance the quality of our veteran's lives in Ansonia.
