Mr. Douglas Novak
Superintendent of Public Works
1 North Division Street
Ansonia, CT 06401

Dear Mr. Novak:

The Ansonia Historical Commission would like to thank your department for maintaining the Hull Mill Historical Sign on Jewett Street. The grounds are well taken care of and the sign is highly visible.

There is another historical marker, the Coe Family Cobblery Shop sign, on Prindle Avenue that needs attention. It is about 30 feet from the Chargers Field sign that is also well maintained. The historic sight is completely overgrown and we believe that it too should be visible to the community, especially during this historic year "Ansonia 125."

We would appreciate your immediate attention to this matter and again thank you for the upkeep of the Hull marker.

Sincerely,

Loisann Marazzi, Secretary

Dear Mrs. Patrick,

Thank you for your donation to the Ansonia Historical Commission towards the gilding of the library clock. The Friends of the Ansonia Historical Commission, which received all donations, has been disbanded and so I am returning your generous gift.

The Friends of the Ansonia Library, a recently formed group, is in the process of raising funds to repair the beautiful mosaic tile floor in the entry way of the library. If you would care to donate to this cause, I know it would be greatly appreciated. That donation can be sent to:

The Friends of the Ansonia Library
53 South Cliff Street
Ansonia, Ct. 06401

Again, thank you for you donation and your wonderful note. The Ansonia Library is indeed a very special place.

Sincerely,

Loisann Marazzi, Secretary
