(5)P (6)A

Public Session:

No one from the public present.

Discussion:

Due to the lack of quorum a discussion was held in regards to the Mead School project. Mr. Smith says the good news is that they went to Wetlands and got an approval. Mr. Smith provides members with a copy of the plan that was submitted. Mr. Smith says he is hoping to get up to the state representatives in January for final approval so the project can go out to bid.

Mr. Nimons asks if they are leaving parking in the back of the building. Mr. Smith says that is up to the board, it will reduce play space for the children. Mr. Evans suggests meeting with administrators before making a decision.

Mr. Evans says the problem becomes now that this is a city project not this commission. Mr. Nimons says it can be sent to us.

Mr. Malerba asks if there is another play area if the existing area is taking for parking.

Mr. Smith says that is the concern so they will meet with administrators.

Mrs. Phipps asks if there will be direct drop off in the back of the building. At this time it is not certain.

Date of Next Meeting:

The meeting adjourned at 5:51 p.m.

Respectfully Submitted,
