Chairman Merlone asked Rita St.Jacques to read the call of the meeting, which was in the Legal Notices of the New Haven Register. (A copy is attached)
After the call of the meeting was read it was noted that the times in the Legal Notice need to be changed and the two payment status needed to be added.

The PROPOSED RATES for the 2010 List Year are as follows:
CONSUMPTION FEE: \$3.05 per 100 Cubic Feet of water PLUS the \$50.00 Capital Fee
FLAT RATE WELL FEE: \$258.00 per property PLUS the \$50.00 Totaling \$308.00

The members are very pleased that the WPCA was able to hold the line and keep the rate the same as last year's rate. NO increase on the PROPOSED RATE for the 2010 List Year and the \$15.00 REDUCTION for the Sewer Project Rate is good news for the rate payers.

PUBLIC SESSION:

The chairman asked if there was anyone from the public that wanted to speak. He asked a total of three times, no one was present he declared the Public Session closed.

Chairman Merlone asked the members if they had anything they wanted to ask or address regarding the proposed rate.

Member Joe Fabrizio asked how the Flat Rate amount was arrived at for the well properties. Rich Bshara explained how it was done. There were a certain number of streets randomly selected through out the city and then an average is taken from those properties.

Chairman Merlone asked if there were any other questions or concerns, there were none.

The Chairman asked for a motion to adjourn.

MOTION was made by Henry Boladz and was seconded by Carl LaRovera to adjourn.
All were in favor of the motion.

The meeting ended @ 6:55 PM
