Chairman Parente read the call of the meeting which was a public hearing to set the rate for the 2015-2016 Special Sewer Use 554 Capital Fee. The proposed rate is \$270/unit with multipliers in place.

The chairman asked if there was anyone from the audience who wished to speak.

Ms. Joan Radin of 198 Wakelee Avenue said that she had heard last year that the rate would be lowered from the \$270/unit charge. Chairman Parente explained that this fee is to repay the \$50 million loan with the State which was used to rehabilitate the waste water treatment plant and the fee cannot be lowered.

Mr. Ken Plavnicky of 15 Mountain View Rd said that he would like to see the sewer usage rate lowered. Chairman Parente said that issue will be investigated at a later date. The Chairman asked two more times if anyone from the audience would like to speak. No one answered and the public session was closed at 6:50PM

MOTION to adjourn made by D. Ventre and seconded by M. D'Alessio. All were in favor and the motion passed. The meeting adjourned at 6: 52PM.
