Chairman N. Parente read the call of the meeting which was a public hearing to set the rates for sewer usage. The proposed usage rates for the 2014 list year bill are \$2.75 per 100 cubic feet of water plus the \$50.00 capital fee for the 311 project. The proposed flat rate well fee is to remain the same at \$237.00 per property plus the \$50 capital fee.

PUBLIC SESSION:

The chairman asked if there was anyone from the public who wished to speak.

Aldерwoman Joan Radin of 198 Wakelee Avenue asked to have the rates remain the same. She said that with the state of the economy both here and abroad it would be prudent to have a little cushion in case there is an emergency.

Mr. Randy Carroll of 40 Fourth Street agreed with Aldерwoman Radin that the rates should stay the same. He said that people are used to the current rates and would like to see them remain constant instead of lowering them this year and potentially raising the rates next year.

The Chairman asked two more times if there was anyone else who wished to speak. No one answered and the Chairman declared the Public Session closed at 6:52PM.

MOTION to adjourn was made by M. D'Alessio and seconded by C. Durante. All were in favor and the motion passed.

The meeting ended at 6:53PM.

Respectfully submitted,

Ellen Turschmann/Secretary
