# **City of Ansonia Public Works Mechanic Job Description**

## **GENERAL STATEMENT OF DUTIES:**

This is a union position responsible for performing all facets of maintenance and repair to any and all vehicles and equipment owned or utilized by the City of Ansonia.

## **ESSENTIAL DUTIES & RESPONSIBILITIES:**

- The position requires operation of city-owned vehicles, such as pick-up trucks, backhoes, street sweepers, dump trucks, salt spreaders, snow plows, etc., as required.
- Performs preventive maintenance and repair services of all equipment owned or utilized by the City of Ansonia.
- Services to include all maintenance, federal annual inspections, heavy duty brake repairs, welding and fabrication, hydrolytic & pneumatic repairs to all equipment owned or utilized by the city.
- Diagnostic and repair of OBDI and OBDII vehicles.
- The position requires the operation of power tools and equipment, such as mowers, chain saws, air compressor, etc.
- Responsible to complete and maintain all records as required by Federal DOT.
- Must be able to plow snow with medium and heavy duty trucks.
- In addition to the essential duties and responsibilities, the employee will be required to perform any other duties assigned by his or her supervisor or designee.

## **SUPERVISION RECEIVED:**

- Works under direct supervision of the Chief Mechanic, Public Works Foreman & Public Works Superintendent.

## **QUALIFICATIONS:**

### **KNOWLEDGE, SKILL, AND ABILITIES:**

Knowledge of the basic operation of tractors, mowers, chain saws, brush chippers, weed trimmers, electric motors, pumps, and street maintenance equipment, such as saws, plate compactor, compressors, paint machines, air compressors, skid steers, backhoes, and single axel dump trucks.

- Knowledge of federal, state, local, town, and other applicable environmental and safety statutes, ordinances, and codes.

- Must have knowledge of Federal DOT laws as applicable to vehicle maintenance.
- Knowledge of Federal (OSHA) and state regulations and town policies regarding safety training and safe work practices.
- Ability to operate snow plow vehicles.
- Ability to establish and maintain effective working relationships.
- Ability to work under pressure and/or frequent interruptions.
- Ability to change easily from one job to another.
- Ability to meet deadlines.
- Must be available for overtime and on-call time 24 hours a day.

### **EXPERIENCE AND TRAINING:**

- High school graduate or equivalent.
- Two years' experience in related field is preferred.
- Job requires individual to be physically able, on a daily basis, to bend, walk, occasionally lift and carry up to 100 lbs.
- Must hold valid class A or B CDL driver's license.
- Must adhere to random drug and alcohol testing requirements.
- Must be air brake certified.

### **REQUIREMENT**

- Pre-employment drug and alcohol test.
